THE SCIENCE INITIATIVE

Plant conservation research and education are at the heart of the Science Initiative. The Daniel F. and Ada L. Rice Plant Conservation Science Center will provide Chicago Botanic Garden scientists with more tools to address the environmental challenges we face today and train those who assume that responsibility in the future. The following individuals, corporations, and foundations have generously supported the Science Initiative with gifts or pledges of \$150 or more through March 15, 2009.
