The Joseph Regenstein, Jr. School of the Chicago Botanic Garden is once again offering carillon lessons in its curriculum. A practice carillon keyboard, made possible by the Butz Foundation, allows carillonists to practice on a carillon keyboard and pedalboard as they learn new music. For more information and to register, call the Continuing Education registrar at (847) 835.8261.

Julianne Vanden Wyngaard, a noted concert pianist, joined the music faculty at Grand Valley State University (Michigan) in 1967 and has been principal performer/teacher on the Cook Carillon since its dedication in 1994. Since the dedication of the second carillon at the Grand Valley Campus in Grand Rapids, Michigan in 2000, Julianne has added the Beckering Family Carillon to her roster of weekly performances.

Vanden Wyngaard began her university music study at the Eastman School of Music with pianist Armand Basile and continued study with him at the University of Wisconsin – Milwaukee. She was introduced to the carillon upon her return to Michigan and as soon as her tenure as Chair of the Music Department at Grand Valley State University was completed, she was able to concentrate on her study of the carillon. She studied at the Netherlands Carillon School from 1996 to 2000, successfully completing the diploma requirements in carillon performance, literature and arranging. She has been an active member of the Guild of Carillonists in North America since 1995 and achieved Carillonist status with that organization in 1999. She is currently serving as a member of the Guild's Examination committee.

On a personal note, Vanden Wyngaard and her husband live and travel in their motor home with three American Cocker Spaniels. She attempts to visit as many carillons

as possible across the United States and recently played a carillon on the island of Curaçao in the Caribbean!
