

Gregory M. Mueller

Chicago Botanic Garden, 1000 Lake Cook Road, Glencoe, IL 60022
Phone: (847) 835-8226. FAX: (847) 835-6975. E-mail: gmueller@chicagobotanic.org

Education

- 1976: Southern Illinois University, Carbondale, B.A. in Botany.
1979: Southern Illinois University, Carbondale, M.S. in Botany
Advisor: Dr. Walter J. Sundberg.
1982: The University of Tennessee, Knoxville, Ph.D. in Botany
Advisor: Dr. Ronald H. Petersen.

Appointments

- 1982-1983: Visiting Scientist, Institute of Physiological Botany, Uppsala University, Sweden
(with Prof. Nils Fries)
1983: Postdoctoral Fellow, Mountain Lake Biological Station, Pembroke, VA.
1984-1985: Postdoctoral Research Associate, Department of Botany, University of
Washington, Seattle. (with Dr. Joe Ammirati)
1985-2008 Curator, Mycology, Department of Botany, The Field Museum, Chicago
(Assistant 1985-1992, Associate 1993-2001, Full 2003-2008);
1996-2005. Chair, Department of Botany, The Field Museum, Chicago
2009-present: Vice President, Science and Academic Programs, Chicago Botanic Garden

Honorary Appointments

- 1994-present: Lecturer, Committee on Evolutionary Biology, The University of Chicago
(Associate Chair, 2004-2008)
1995-present: Adjunct Professor, Department of Biological Sciences, University of Illinois,
Chicago (Associate Professor 1995-2003, Professor 2003-present)
2009-present: Adjunct Professor, Biological Sciences, Northwestern University, Evanston
2009-present: Research Associate, The Field Museum, Chicago

Research Interests

Systematics, diversity, biogeography, ecology, and conservation of macrofungi; mycorrhizas

Select Awards and Scholarships

- 1981: Graduate Research Award: First Prize for paper presented to Mycological
Society of America at AIBS meetings.
1992: Alexopoulos Prize: Awarded by Mycological Society of America in recognition
of outstanding research contributions within 10 years of receipt of Ph.D.
2008: Fulbright Senior Fellow, Fulbright Scholar Program

Research Grants and Contracts

- 1977, 1979, 1981: *Sigma Xi*, Grant-in-Aid of Research. Studies on the Genus *Laccaria*. I, II, III.
\$370 (in total).
1979, 1980, 1983: *Highlands Biological Station*, Highlands, NC. "The Genus *Laccaria* in North
America. I, II, III." \$925 (in total).

- 1982-1983: *National Science Foundation*, U.S.-Sweden Cooperative Research Program. "Sexual Incompatibility Studies in the Mushroom Genus *Laccaria*." \$2,883 INT-8211779.
- 1982-1983: *Swedish Natural Science Research Council*, U.S.-Sweden Cooperative Research Program. "Incompatibility Studies in the *Laccaria laccata* Species Complex." 13,000 Skr (awarded to Prof. Nils Fries to support my visit).
- 1984-1987: *National Science Foundation*. "A Taxonomic and Biological Study of the Ectomycorrhizal Agaric Genus *Laccaria* in North America, North of Mexico." \$135,000 BSR-8315238 (Postdoc on award to Dr. J. Ammirati, U. Washington).
- 1986-1990: *National Science Foundation*. "The Agaric Genus *Laccaria* in South America: A Taxonomic and Biological Study." \$144,955 BSR-8607106.
- 1987-1990: *Bradley Study Center, Leopold Memorial Reserve*, WI. "Mycota of the Leopold Reserve." \$18,000 (Co-PI with H. Burdsall, D. Glawe, A. Parker).
- 1989-1992: *John D. and Catherine T. MacArthur Foundation*. "Mushrooms and Other Fungi of Costa Rican Oak Forests." \$22,000.
- 1993-1997: *National Science Foundation*. "Agaricales of Costa Rican *Quercus* forests." \$401,017 DEB-9300798 (PI with Co-PI, R. Halling, New York Botanical Garden).
- 1995-1997: *National Institutes of Health*. "Screening Costa Rican Macrofungi for Bioactive Compounds: Fungi from the Guanacaste Conservation Area." \$100,000 1-R03-TW00732.
- 1995-2000: *National Science Foundation*. "Studies in the Lasiosphaeriaceae: Monographs of Two Key Genera and Family-Level Phylogeny (Fungi, Ascomycetes, Sordariales)." \$702,364 DEB-9521926 (Senior Associate; awarded to Sabine Huhndorf, The Field Museum).
- 1995: *U.S. Department of the Interior, National Biological Service*. "Measuring and Monitoring Biological Diversity: Standard Methods for Fungi" \$6,000.
- 1995-1996: *USDA Forest Service Pacific Northwest Research Station*. "Measuring and Monitoring Biological Diversity: Standard Methods for Fungi" \$10,000.
- 1995-1996: *USDA Forest Service Forest Products Laboratory*. "Measuring and Monitoring Biological Diversity: Standard Methods for Fungi" \$10,000.
- 1996-1998: *National Science Foundation*, Dissertation Improvement Program. "Population Dynamics and Species Diversity of Decomposers of Patchy Substrates." \$10,000 DEB-9623523 (for support of John Paul Schmit, Ph.D. candidate, Univ. of Chicago).
- 1996-1999: *National Science Foundation*, U.S.-China Cooperative Science Program. "Comparative Studies on the Macrofungi of China and Eastern North America." \$133,439 INT-9513874 (Co-PI with PI, Qiuxin Wu, The Field Museum).
- 1996-1998: *Conservation Foundation/Chicago Wilderness*. "Monitoring Restoration in an Oak-Woodland Community at Swallow Cliff Woods" \$45,000 (participant; awarded to D. K. Moskovits).
- 1996, 1998, 1999, 2001: *Huron Mountain Wildlife Foundation*. "Diversity and Distribution of Macrofungi: The Field Museum's Mycological Research Project in the Huron Mountains." \$3,000 (with Qiuxin Wu).
- 1997-1999: *Illinois Department of Natural Resources*. "Illinois Rapid Assessment Program (IRAP) and EcoWatch/UrbanWatch" \$369,967 (participant; awarded to D. K. Moskovits and C. Fialkowski).

- 1999: *Restoration Research Fund, Forest Preserve District of Cook County.*
"Restoration Effects on Macrofungi in an Oak Woodland Community at Swallow Cliff Woods" \$6,275 (with Patrick Leacock)
- 1999-2003: *National Science Foundation.* "Collaborative: Survey of Costa Rican Macrofungi" \$150,000 DEB-9972027.
- 2000: *Restoration Research Fund, Forest Preserve District of Cook County.*
"Restoration Effects on Macrofungi in an Oak Woodland Community at Swallow Cliff Woods, year II" \$6,102. (with Patrick Leacock and John Paul Schmit)
- 2000: *Conservation Foundation/Chicago Wilderness.* "Impact of Nitrogen Deposition on Macrofungi in Chicago Wilderness." \$12,096. (with Patrick Leacock and John Paul Schmit)
- 2001: *Restoration Research Fund, Forest Preserve District of Cook County.*
"Restoration Effects on Macrofungi in an Oak Woodland Community at Swallow Cliff Woods, year III" \$6,867 (with Patrick Leacock)
- 2001-2003: *National Science Foundation, Dissertation Improvement Program.* "Dissertation Research: Phylogenetic studies in the Lasiosphaeriaceae (Fungi, Ascomycetes, Sordariales)." \$9,985 DEB-0105077 (for support of Andrew Miller, Ph.D. candidate, University of Illinois, Chicago).
- 2001-2003: *National Science Foundation, Dissertation Improvement Program.* "Dissertation Research: Evolutionary history of reproductive systems in closely related taxa of the lichen-forming genus *Porpidia* (Ascomycota)." \$10,000 DEB-0105024 (for support of Jutta Buschbom, Ph.D. candidate, University of Chicago).
- 2001-2006: *National Science Foundation, PEET Program* "Studies in the Lasiosphaeriaceae II: Monograph of *Podospora* and Phylogeny of the Lasiosphaeria/Sordariaceae Group (Fungi, Ascomycetes, Sordariales)." \$744,579 DEB-0118695 (Senior Associate; PI, Sabine Huhndorf).
- 2002-2007: *National Science Foundation, Ecology and Ecosystems* "Mycorrhizal regulation of ecosystem response to chronic nitrogen deposition." Field Museum subcontract \$229,818 DEB-0134748 (with J. Lussenhop and H. BassiriRad, University of Illinois, Chicago, and R. M. Miller, Argonne National Labs).
- 2005-2009: *National Science Foundation, Systematics* "REVSYS: Monographing a Model Clade of Ectomycorrhizal Fungi: *Laccaria* – *Hydnangium* ". \$328,727 (DEB-0445216).
- 2005-2009: *John D. and Catherine T. MacArthur Foundation* "Building Capacity for Biodiversity Research, Conservation, and Education in Eastern Himalaya" \$480,000 Grant 02-73933 (Co-PI with Richard Ree and Jun Wen).
- 2008-2010: *National Science Foundation, Dissertation Improvement Program.* "Dissertation Research: Local Adaptation of Symbiotic Fungi to Serpentine Soils." \$12,000 DEB-0808269 (support of Sara Branco, Ph.D. candidate, University of Chicago).

Facility, Digitization, and Teaching Grants

- 1988-1991: *National Science Foundation.* "Acquisition of New Scanning Electron Microscopy Facility at Field Museum of Natural History" \$65,000 (Co-PI with P. R. Crane, J. S. Ashe, and C. Niezgod.)
- 1992: *National Science Foundation.* "Support for the Involvement of Minority Undergraduates in Management of Systematic Collections at Field Museum" (Co-PI with B. D. Patterson, B. Chernoff, J. Engel, J. Flynn, L. Grande, S. Lanyon, S. Lidgard, and A. Newton).

- 1996-1999: *National Science Foundation*, Informal Science Education. "Life Underground: Foundations of the Biosphere" \$1,583,771 ESI-9627007 (Co-PI with M. F. Muraski-Stotz and D. K. Moskovits).
- 1996-1999: *National Science Foundation*. "Support for the Mycological Collections, The Field Museum" \$199,300 DEB-9631632 (PI with Co-PI, Q.-X. Wu)
- 1997: *National Science Foundation*. "Support for the Mycological Collections, The Field Museum: Research Assistantships for Minority High School Students" \$5,582 Supplement to DEB-9631632 (PI with Co-PI, Q.-X. Wu)
- 1999-2000: *National Science Foundation*. "Support for the Mycological Collections, The Field Museum: Lichen Supplement" \$25,100 Supplement to DEB-9631632 (PI with Co-PI, Q.-X. Wu)
- 2001-2002 *Institute for Museum and Library Services National Leadership Grant*. "vPlants: The Chicago Regional Virtual Herbarium as a Model Multi-Institutional Plant Data Resource" \$418,428 (Co-PI with C. Dunn, Morton Arboretum; J. Ault, Chicago Botanic Garden; W. Alverson, Field Museum)
- 2004-2006 *Institute for Museum and Library Services National Leadership Grant*. "vPlants Plus: Enhancing the Chicago Region Virtual Herbarium" \$473,072 (PI, with C. Dunn, Morton Arboretum; K. Havens, Chicago Botanic Garden; W. Alverson, Field Museum)
- 2006-2009 *Department of Education GAANN Grant*. "GAANN: Graduate Training in Evolutionary Environmental Biology." \$633,000. (PI, with CoPIs M. LaBarbera, UofC; D. Jablonski, UofC; S. Kidwell, UofC; M Kearney, Field Museum; J. McElwain, Field Museum)

National Science Foundation and Institute of Museum and Library Services Advisory Panel Participation

- 1992: Biotic Survey and Inventory Advisory Panel (NSF)
- 1993: Systematic Biology Advisory Panels (2 panels: April & October) (NSF)
- 1995: Systematic Biology, Special Advisory Panel for Partnership for Enhanced Expertise in Taxonomy (PEET) Program (NSF)
- 2004 & 2005: Museums on Line --National Leadership Grant Program (IMLS)

Teaching Experience

- 1977-1982: Graduate Teaching Assistantships
Southern Illinois University, Carbondale
The University of Tennessee, Knoxville
- 1995: Biodiversity Through Time. BioSci. 157. University of Chicago
- 1996: Ecology of Mycorrhizae. BioSci 594. University of Illinois at Chicago
- 1997, 1999, 2001, 2003, 2005, 2007: Mutualisms and Symbiosis. (upper level undergraduate majors course). University of Chicago
- 1998: Ecology and Evolution. BioSci 128 and 131. University of Chicago
Fungal Mutualisms. BioSci 594 (graduate seminar course). University of Illinois at Chicago
- 2004 & 2005: Diversity of Fungi. Joint University of Illinois, Chicago and University of Chicago graduate student course. (Co-instructor).
- 2008: Diversity and Biology of Macrofungi. Federal University of Pernambuco, Recife Brazil (graduate course).

Postdoctoral Research Associate Supervision

John (Jack) F. Murphy, 1995-1997
Patrick Leacock, 1997-2006
John Paul Schmit, 1999-2000
Peter Avis, 2004-2007
Kentaro Hosaka, 2005-2008
Andrew Wilson, 2009-

Graduate Student Supervision

T. W. May, Department of Ecology and Evolutionary Biology, Monash University, Victoria, Australia, Ph.D., 1992 [External examiner]
Milagro Mata Hidalgo, University of Costa Rica, Licenciatura, 1995 [External member]
Loengrin Umaña Tenorio, University of Costa Rica, Licenciatura, 1995 [External member]
Juan Luis Mata, University of Costa Rica, M.S., 1997 [External Member]
John Paul Schmit, University of Chicago, Ph.D., 1999 [Advisor]
Irene Lindblad, University of Norway, Oslo, Ph.D., 2001 [1st Opponent]
Todd Osmundson, Montana State University, M.S., 2003 [External Member]
Laura Guzmán-Dávalos, U.N.A.M., Mexico City, Ph.D., 2003 [Co-Advisor]
Andrew Miller, University of Illinois, Chicago, Ph.D., 2003 [Co-Advisor]
Jutta Buschbom, University of Chicago, Ph.D., 2003 [Advisor]
Kelly Gravier, University of Chicago, Ph.D. 2009 [Co-Advisor]
Matthew Keirle, University of Chicago, PhD 2009 [Advisor]
Sara Branco, University of Chicago, PhD candidate [Co-Advisor]

Supervision in Mentorship and Student Internship Programs

Francis Keefer, Northern Illinois University, 1986; Yuka Ando, Antioch College, Ohio, 1987; Markella Callimassia, St. Andrews College, Scotland, 1988; Elizabeth M. Pine, Illinois Mathematics and Science Academy--1993 First place winner of Westinghouse Science Talent Search (\$40,000 Scholarship), 1991-1993; Meilee Chen, University of Chicago, 1992; Marlin Khouri, University of Illinois at Chicago, 1993; Joanna Leighe, Illinois Mathematics and Science Academy, 1994-1995; Jennifer Fernandez, DePaul University, 1994-1995; Gina Wesley, Northwestern University, 1995-1996; Ken Puteikis, University of Illinois at Chicago, 1995; Anthony Amend, Cornell University, 1995; Jennifer Tietz, Illinois Mathematics and Science Academy, 1995-1996; Aleksa Kosinski, University of Illinois at Chicago, 1995-1996; Deborah Michiko Aruguete, University of Chicago, 1995-1998; Biodiversity Explorers, Chicago Area High School Interns (5-6 each summer), 1995-1998; Johnny Hsu, University of Chicago, 1997; Sonja Berg, University of Wisconsin, Madison, 1997-1998; David Quist, University of Washington, Seattle, 1997-1998; Todd Osmundson, University of Montana, Missoula, 1998; Erin Archer, University of Chicago, 1999; Judy Wu, University of Chicago, 1999; Milena Maver, University of Geneva, Switzerland, 1999; Peter Kennedy, Evergreen College, Washington, 2000; Erin Loomis, University of Chicago, 2001-2002, Gwen Williams, University of Chicago, 2005, Yaya Yang, University of Chicago, 2007-2008, Christine Lee, University of Chicago, 2007; Caitlin Wylie, University of Chicago, 2007, Raphael Porto, Loyola University, 2007; Heather Watts, Northeastern Illinois University, 2008; Anna Goff, Beloit College, 2008; Darcy Young, Clark University, 2009.

Committee Work at Field Museum and University of Chicago

1986-1990: Collections and Research Computer Committee

- 1989-1991: Content Specialist for "Into the Wild" exhibition
- 1989-1991: Content Specialist for "Sizes" exhibition
- 1990-1991: Scientific Advisory Council (equivalent to Faculty Senate)
- 1990-1991: Collections and Research Affirmative Action Task Force
- 1992: Strategic Planning Task Force--Research
- 1993: Co-Developer for the curatorial component of "La Selva Fria" exhibition
- 1993-1999: Academic Affairs Management Group
- 1995-1996: Scientific Advisory Council (equivalent to Faculty Senate)
- 1995-1998: Coordinator Biodiversity Explorers High School Internship Program
- 1995-1999: Chief Content Specialist for "Underground Adventure" exhibition
- 1995-2004: Graduate Admissions Committee, Committee on Evolutionary Biology, University of Chicago (Chair 2003-2004)
- 1997-2003: Illinois Rapid Assessment Program (IRAP) Team
- 1997-2003: Illinois "UrbanWatch" Protocol Development Team
- 1998-1999: Environment Team, Field Museum Strategic Planning Initiative
- 1999-2000: Search Committee for Vice President, Academic Affairs
- 1999-2001: Academic Affairs Management Group (committee serving as Acting V.P. of Academic Affairs)
- 1999-2008: Field Museum-Monsanto Environmental Education Initiative Steering Committee
- 2003-2008: SEM Committee (Chair)
- 2005-2008: Field Museum Academic Affairs-Exhibition Liaison Committee
- 2005-2007: Field Museum IT Committee
- 2008: Seminar Committee

Public Service

- 1985-present: Contact for mushroom cases, Illinois Poison Center and Chicago area hospitals
- 1985-present: Scientific Advisor, Illinois Mycological Association

Memberships in Professional Organizations

Mycological Society of America (MSA); Asociacion Latinoamericana de Micología (ALM); North American Mycological Association (NAMA); European Mycological Association; African Mycological Association; International Mycological Association, International Society for Fungal Conservation; Illinois State Academy of Science; Illinois Mycological Association; Botanical Society of America; American Society of Plant Taxonomists; The Association for Tropical Biology; Society of Systematic Biologists; American Association for the Advancement of Science, Soil Ecology Society

Committee Work in Professional Organizations

- 1985-1986: Subcommittees B and C on Fungal Nomenclature of the IAPT Special Committee for Fungi and Lichens
- 1987-1991: Committee on Liaison between MSA and amateur mycological societies, Mycological Society of America (Chair)
- 1990-1995: Editorial Committee, North American Mycological Association (Chair, 1991-1995)

- 1991-1995: Committee on Inter-Society Liaison, North American Mycological Association
 1995: Liaison for Conservation of Cultural Resources, Mycological Society of America (MSA's contact with the National Institute for Conservation of Cultural Property, Washington, D.C.)
- 1993-1996: Councilor, Systematics/Evolution, Mycological Society of America
 1995-1998: Associate Editor, *Mycologia*
 1996-1997: Coordinating Group, Chicago Wilderness
 1996-2001: Chicago Wilderness Proposal Committee (Chair)
 1997-present: Voucher Specimen Committee, North American Mycological Association (Chair 1997-2002)
- 1997-1999: Program Committee, XVI International Botanical Congress (St. Louis)
 1998-2001: Editorial Board, *Mycotaxon* (Chair 2000-2001)
 1998-2001: Systematics Collection Committee, American Society of Plant Taxonomists (Chair, 2000-2001)
- 1999-present: International Coordinator of Fungal Programs, National Institute of Biodiversity (INBio), Costa Rica
- 1999-2008: IUCN Species Survival Commission, Fungi Specialist Group
 2000-present: Science Advisory Committee, Illinois Chapter of The Nature Conservancy
 2000-2004: Distinctions Committee, Mycological Society of America (Chair 2003-2004)
 2001-2002: International Advisory Board for 2002 Congress, Latin American Mycological Association
- 2001-2004: Board Member, Natural Science Collections Alliance (formerly ASC)
 2001-present: MSA Representative to the International Mycological Association
 2001-present: Member of Organization for Flora Neotropica Commission
 2004-2005: Vice President, Mycological Society of America
 2005-2006: President Elect, Mycological Society of America
 2006-2007: President, Mycological Society of America
 2007-2008: Past President, Mycological Society of America
 2008-present MSA Conservation Committee
 2009-present: Chair, IUCN Species Survival Commission Specialist Group on "Mushrooms, Brackets and Puffballs"
 2010-present International Society for Fungal Conservation (Coordinating Group)

Professional Meetings Attended (last 10 years)

- 2000: Association for Systematic Collections Annual Meeting, Baltimore, MD
 NAMA Annual Meeting and Foray, Texas
 A. H. Smith Lakes States Mycological Foray, Danville, IL
 Missouri Botanical Garden Fall Symposium, St. Louis, MO
- 2001: Natural Science Collections Alliance Meeting, Chicago, IL
 MSA Annual Meeting, Salt Lake City, UT
 NAMA Annual Meeting and Foray, MN
- 2002: Deep Hypha, Baton Rouge, LA
 Natural Science Collections Alliance Meeting, Washington D.C.
 A. H. Smith Lakes States Mycological Foray, (Ball State U.), Upland, IN
 Latin American Congress of Mycology, Xalapa, Mexico
 International Mycological Congress, Oslo, Norway (IMC7)
- 2003: Deep Hypha, Chicago, IL (Host/ Local Organizer)
 A. H. Smith Lakes States Mycological Foray, Carbondale, IL

- Mycological Society of America, Asilomar, CA
Commission on Macrofungi Investigations Field Meeting, Caucasus Mts., Russia
Congress of European Mycologists, Yalta, Ukraine
Natural Science Collections Alliance Meeting, Berkeley, CA
Missouri Botanical Garden Fall Symposium, St. Louis, MO
2004: North American Mycological Association, Asheville, NC
Mycological Society of America, Asheville, NC
Meeting of Midwestern Mycologists, Madison, WI
A. H. Smith Lakes States Mycological Foray, Dells, WI
2005: Deep Hypha, Tuscon, AZ
Natural Science Collections Alliance Meeting, Santa Barbara, CA
Soil Ecology Society Meeting, Chicago, IL
Mycological Society of America / Japanese Mycological Society Joint meeting,
Hilo, Hawai'i
2006: Deep Hypha, Baton Rouge, LA
New Zealand Fungal Colloquium, Westport, NZ
Mycological Society of America / American Phytopathological Society Joint
meeting, Quebec, Canada
VIII International Mycological Congress, Cairns, Australia
Missouri Botanical Garden Fall Symposium, St. Louis, MO
2007: Mycological Society of America, Baton Rouge, LA
XVth Congress of European Mycologists/European Mycological Association, St.
Petersburg, Russia
Botanical Society of America – American Society of Plant Taxonomist Meeting,
Chicago, IL.
First Workshop and Symposium on Pyrenees Fungi, Moulis, France.
2008: 10th Annual Meeting of the Puerto Rican Mycological Association, Gurabo, PR
Ecological Society of America Meeting, Milwaukee, WI
Mycological Society of America Meeting, State College, PA
A. H. Smith Lakes States Mycological Foray, Indiana Dunes National Lake
Shore
2009: VI Latin American Mycological Congress, Mar del Plata, Argentina
Joint Mycological Society of America, Botanical Society of America, and
American Society for Plant Taxonomy meeting, Snow Bird Utah
Fungal Evolution and Charles Darwin: From Morphology to Molecules, Thailand
Plant Conservation for the Next Decade, Royal Botanic Gardens Kew, UK
Fungal Conservation: Science, Infrastructure, Politics, Whitby, UK
Biological Interactions and Biodiversity, Tokyo, Japan
2010: VI Southern Connection Congress, San Carlos de Bariloche, Argentina
4th Global Botanic Garden Congress, Dublin, Ireland
Mycological Society of America, Lexington, KY
9th International Mycological Congress, Edinburgh, UK

Extended Field Work

NORTH AMERICA: Canada: British Columbia, 1981, 1984; Nova Scotia, 1978; Ontario, 1984,
USA: CA, CO, FL, GA, ID, IN, IL, HI, KY, LA, MA, MI, MN, MO, MS, NY, NC, OH,
OR, SC, TN, TX, VA, WA, WV, WI, WY, 1978-present; Puerto Rico, 1998; Mexico:
Nuevo Leon, Tamaulipas, 1988, Verracruz, 2002.

CENTRAL AMERICA: Costa Rica, 1986, 1989, 1991-2005; Guatemala, 2002, 2004, 2007; Honduras, 1991; Panama, 2005.
SOUTH AMERICA: Argentina 1987, 1988, 2010; Brazil, 1987, 2008; Chile, 1987-1988; Ecuador, 1987; Colombia, 1987; Venezuela, 1987.
EUROPE: Germany, 1990; the Netherlands, 1982; Sweden, 1982; Russia, 2003, 2007; Ukraine, 2003; France, 2007; Portugal, 2007.
ASIA: China, 1996-1998, 2002, 2006; Japan, 2008, 2009
AUSTRALASIA: Australia 2005, 2006; New Zealand, 1999, 2006; Papua New Guinea 2006

Thesis and Dissertation

Mueller, G. M. 1978. The genus *Laccaria* in southern Illinois. M.S. Thesis. Southern Illinois University, Carbondale. 64 pp.
Mueller, G. M. 1982. The genus *Laccaria* in North America excluding Mexico. Ph.D. dissertation. University of Tennessee, Knoxville. 344 pp.

Publications: Books and Journal Volumes

Mueller, G. M. 1992. *Systematics of Laccaria (Agaricales) in the Continental United States and Canada, with Discussions on Extralimital Taxa and Descriptions of Extant Types. Fieldiana: Botany, n.s.*, 30. Chicago: Field Museum of Natural History. 158 pp.
