

Garden Quest: DIY

It's your turn to be the teacher! As you explore the Garden, what do you think students should notice? Design your own scavenger hunt or Garden Quest that could be used by other students.

Fill the boxes with specific items, clues, or riddles.

Be sure to include...

- Plants and animals that catch your eye
- Something that surprises you
- Something that connects to what you have learned
- Something you wonder about
- Something you have never seen before
