

# #GivingTuesday

is November 28.

## Support the Garden

and help us cultivate the **#PowerOfPlants**  
to sustain and enrich life.

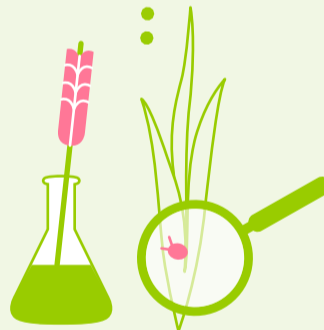

**100,000**

pounds of produce grown annually by Windy City Harvest students using organic methods at 12 locations throughout Chicago and Lake County, serving an estimated 143,000 people.

**150,000**

people, from preschoolers through retirees, come to learn in nature-based programs and field trips each year.

**8,000**

accessions safeguarded this year at the Dixon National Tallgrass Prairie Seed Bank and National Tallgrass Prairie Laboratory.

**2,700**

people reached by the Garden's Horticultural Therapy Services, including 465 veterans, 1,675 youth and students, and 630 adults and seniors.
