School Field Trip Checklist

Thank you for choosing the Chicago Botanic Garden as a field trip destination. Please review the guidelines below before your visit, to ensure your visit goes smoothly.

**Prepare Yourself** – For teachers/group leaders
- Please review your field trip confirmation letter (email receipt) carefully to ensure all details are correct.
- Upon arrival, a staff member will greet you at the Regenstein Learning Campus. If you are running late, please call the Field Trip Coordinator (847) 835-8313.
- Review the following Policy Information sheet, which includes cancellation fees and lunch information (see page 2).
- If you are staying for lunch at the Garden, please organize accordingly (see page 2).
- Please consider bringing:
  - Bags or backpacks to carry lunches
  - For Guided Field Trips, Garden staff store your sack lunches inside upon arrival.
  - Nametags for students
  - Pencils, journals, cameras, and any other self-guided activity material for your students
- Organize your chaperones to meet our required student-to-adult ratio for our guided programs. Teachers are included in the chaperone-to-student ratios: Pre-K – 2nd 1:5 students is required; 3rd-5th 1:7 students is required; 6th-12th 1:10 students is required.

**Prepare Your Bus Company** - Please make the bus company aware of the following policies:
- Upon arrival, the Gatehouse attendant will direct the driver to the Regenstein Learning Center.
- Buses and drivers must be available at all times in case of an emergency or unexpected change in the weather (and for some programs, buses will accompany student groups to sites and remain with them for the field trip duration).
- The driver must remain on the premises during the field trip, and should bring their own lunch.
- Buses may not idle longer than ten minutes at the Chicago Botanic Garden.
- Drivers may visit [http://www.chicagobotanic.org/visit/directions](http://www.chicagobotanic.org/visit/directions) for directions.

**Prepare Your Parents/Guardians** -
- Please notify parents/guardians to send their students appropriately dressed for the weather and walking. Students may spend at least half of their visit outdoors, and some programs are conducted entirely outdoors.
- Send a note home to student’s guardian as a reminder (Optional, see Pages 4 & 5).

**Prepare Your Students** - Students often wonder about transitions of the trip.
- Outline the schedule of the day and when your class will eat lunch.
- Advise students to dress appropriately for the weather, and to wear suitable walking shoes.
- Review the Garden Guidelines with students. (See Page 3)

**Prepare Your Chaperones** - Adults are important aspects of enriching conversations at the Garden
- Students remain with their chaperone at all times during the visit.
- Share the following Chaperone Information and Field Trip Garden Procedures with each chaperone (See Page 3).
- With a chaperone, small groups of 10 students at a time are allowed in the store.
POLICY INFORMATION

Payment, Cancellations & Refunds
Starting January 2018, your field trip date will be reserved after we receive a $50 non-refundable deposit per program. Reservation is complete after full payment is processed and you receive a confirmation receipt from the Chicago Botanic Garden. Unregistered classrooms or groups are admitted and charged the appropriate parking fees (subject to availability).

If the weather is threatening or severe, a modified guided program will continue indoors. We are unable to provide indoor program space for Self-Guided field trips; however, you may visit the following indoor locations: the Greenhouses, Regenstein Center, and Plant Science Center. To access these indoor areas, visitors are still required to walk outdoors, so please be prepared for the weather.

If you cancel at least two weeks prior to your visit, you may receive a refund, withholding the initial non-refundable deposit, or an opportunity to reschedule your visit (once per group). We are unable to give refunds for cancellations with less than two weeks’ notice or for absent students.

Tram, Butterflies and Blooms, Model Railroad Garden, Wonderland Express Exhibition
Preregistered groups receive a per-person discounted fee for the tram, trolley, Model Railroad Garden, and Wonderland Express exhibition.

If you bring more people than specified in your original confirmation letter, we may not be able to accommodate them. If we can safely guarantee additional spaces, participants will be charged the regular full price (Tram Tours, Model Railroad Garden, Butterflies and Blooms: $8 adult, $6 child; Wonderland Express: $13 adult, $10 child).

Photography Consent
Unless we are notified in advance about particular students or their parents (or guardian) not consenting to the students being photographed, registration serves as consent that students may be photographed and that such photos may be used in Garden publications and promotional materials.

Lunch Space, Storage, and Food Consumption
Field Trips have access to eat in the public outdoor Picnic Grove, located between parking lots 1 and 2. The Garden does not provide lunches to school groups. Please ask students to pack a peanut-free sack lunch that does not require refrigeration.

Self-Guided groups may carry their lunches in backpacks or store them on the bus. In poor weather, you may need to eat on the bus, as we do not have indoor lunch space for all Self-Guided groups visiting the Garden. Please keep all food out of each garden and off the trails.

Guided Field Trip programs include reserved indoor lunch spaces. Groups have lunch according to the confirmation receipt. Guided group lunches are collected and stored indoors upon arrival.
CHAPERONE INFORMATION

Thank you for assisting your group’s field trip. Please:
- **dress appropriately for the weather** (including comfortable walking shoes)
- **remain with the group at all times**
- **refrain from cell phone use during the guided program**

Ensure the students enjoy their visit:
- **Role-model appropriate behavior**
  Read and follow the *Garden Code of Conduct (below)* yourself.
  Listen, observe and participate.
- **Know the purpose of the field trip**
  Why is your group visiting the Garden today?
  Ask your class teacher/group leader to review the purpose of your visit.
- **Assist with all activities**
  Share your enthusiasm and excitement.
  Help distribute and collect activity materials.
- **Help students make observations**
  Make your own observations about plants and ask their opinion.
  Invite students to share their discoveries with you.

**Garden Guidelines**
The wonderful plants and animals you see at the Garden are a ‘living’ collection. **Please help preserve the Garden’s serene atmosphere by discussing proper behavior with students before visiting the Garden.**
- Please refrain from climbing on trees and shrubs or picking fruits and vegetables.
- Remain on designated paths at all times.
- Please speak quietly while inside buildings and the Garden.
- Active sports and games are prohibited; all play equipment should remain in the vehicle.
- Please keep food out of the gardens and trails. Have your picnic in the picnic area, adjacent to parking lot 2.
- Groups with insufficient numbers of chaperones and/or demonstrating inappropriate behavior may be asked to leave.

**EMERGENCY PROCEDURES**
In the event of a medical emergency please inform the nearest Chicago Botanic Garden staff member.
If no staff member is available, please call Garden Security at (847) 835-8321.
Please refrain from calling 911 from your cell phone.
If it becomes necessary to call 911 please contact Garden Security immediately afterwards, as the Garden consists of 385 acres and emergency services may find it difficult to locate you without the aid of Chicago Botanic Garden security personnel.
Dear Parent,

Your child(ren) will be attending a field trip to the Chicago Botanic Garden on:

_____________________________________________.

(Date)

Depending on the weather, students may spend at least half of their visit outdoors, and some fall and spring field trip programs are conducted entirely outdoors.

Due to the Garden lagoons, the temperature is often cooler than the daily average. Please make sure your student is appropriately dressed for the weather.

Spring/Fall Field Trip
- Long pants
- Close-toed shoes
- Jacket

Winter Field Trip
- Winter Coat
- Snow Boots
- Hat/Scarf/Gloves or Mittens
Estimado Padre,

Su hijo/a tomará un paseo al Jardín Botánico de Chicago

_____________________________________________.

(Fecha)

Depende del tiempo, los estudiantes puedan estar afuera por lo menos la mitad del paseo, y algunos paseos durante el otoño y la primavera estarán afuera completamente.

A causa de las lagunas del Jardín, la temperatura está un poco más frío del promedio diario. **Favor de asegurar que su hijo/a lleve vestido apropiado para el paseo.**
